Authority and Governance	Student Transportation Services Brant Haldimand Norfolk (STSBHN) administers student transportation on behalf of Conseil Scolaire de District catholique Centre-Sud (CSDCCS), Grand Erie District School Board (GEDSB), and the Brant Haldimand Norfolk Catholic District School Board (BHNCDSB). STSBHN is governed and given strategic direction by the Board of Directors consisting of senior administrators and a trustee from each of the above mentioned Boards. The day-to-day business of STSBHN is overseen by the Operations Committee that is comprised of the senior business official responsible for transportation from the above mentioned Boards.
Boards' Responsibility To Provide Transportation	Transportation to and from school is the responsibility of the students and their parents or guardians. The Education Act states that "a Board may provide for a pupil who is enrolled in the school that the board operates, transportation to and from the school that the pupil attends." In accordance with the Education Act, the provision of transportation is permissive and may be revoked at the Boards' discretion. Policies and procedures have been established to ensure that school transportation services are at all times safe, reliable and equitable.
Safety of Students	STSBHN considers the safety of students to be of paramount importance and will take all reasonable precautions to ensure that all aspects of the transportation system comply with the appropriate Acts, Regulations and Safety Standards. STSBHN will co-operate with provincial and local police in all matters related to school bus safety.
