<b>Procedures</b>	<p>JK – Grade 12 students who are eligible to receive transportation may be required to walk up to 0.8 KM to reach their assigned bus stop location.</p> <p>The distance is calculated based on the shortest distance on a safe walking route, as outlined by (030) Hazard Transportation Eligibility, between the student’s primary address and the bus stop.</p> <p>The distance mentioned above is a maximum distance. Every effort will be made to minimize the distance from a student’s home address to the stop location assigned to them by STSBHN.</p> <p>Distances are calculated by STSBHN’s route planning software.</p>
